

# FAST TRACK

◆ ELITE PERENNIAL RYEGRASS BLEND ◆

**F**AST TRACK is a blend of top rated perennial Ryegrass varieties formulated for use by the discriminating homeowner or turf grass manager who wants the best. FAST TRACK Blend is a breed apart from many look-alike Perennial Rye Blends on the market today. The combination of a fast start and establishment, it's dark green color along with disease and insect resistance makes FAST TRACK your Perennial Ryegrass blend choice.

FAST TRACK Blend performs well where cool and warm season grasses grow. It demonstrates good resistance to crown rust and leaf spot. It establishes quickly and it blends well with other species of turfgrass. FAST TRACK is ideally suited for use as an annual overseed of Bermuda-grass on Golf Courses, Sports Fields or Lawns.
