

Get Aqua Wise™!

- Do you have turf that needs to be renovated or overseeded?
- Are you looking to reduce water by up to 30% while keeping turf green?
- Will you support the practice of water conservation?

If you answer yes to any of the questions above you might consider planting our new 100% Aqua Wise™ select varieties. These grasses are approved by the TWCA (Turfgrass Water Conservation Alliance) and The California Department of Water Resources as water saving varieties.
